

How to View your learning history

*N.B. Learning records from 2018 onwards have been brought into the new KIWI LMS. All learning history prior to this time period is stored *outside of the KIWI LMS*. If you require access to learning history records from the previous LMS, please contact learning@bruyere.org*

1

Login to the [KIWI LMS](#)

2

In the Navigation pane on the left side of the window, click Reports and then Learning History

3

Enter the Start Date for your search as well as an end date (defaults to today's date) and choose a specific course or all courses. Click Show.
